Premium Information

Plans A, F & N | Effective January 1, 2017

Premiums are subject to change.

Here's some important information, before we get started:

We, Anthem, can only raise your premium if we raise the premium for all plans like yours in this State.

Premiums are subject to change on or after the Renewal Date in accordance with the terms of the Policy. Renewal Date is defined as January 1, subject to state approval. The selected billing preference does not guarantee your premium for any specific period. Approved premium changes are effective as of the Renewal Date.

If you select a billing method other than Monthly EFT (Electronic Fund Transfer), the billing frequency takes effect on the first day of the payment period that immediately follows your coverage effective date. Based on your selected billing method and your coverage effective date, we will prorate the initial premium to align you with the quarterly or annual billing. For example, if you select quarterly billing and your coverage effective date is September 1, your quarterly billing will start on October 1. We base annual billing on a calendar year (January-December).
