Here are some frequently asked questions about Colonial Life's disability insurance:

Will my disability income payment be reduced if I have other insurance?

You're paid regardless of any other insurance you may have with other insurance companies. Benefits are paid directly to you (unless you specify otherwise).

When am I considered totally disabled?

Totally disabled means you are:

- Unable to perform the material and substantial duties of your job;
- Not working at any job; and
- Under the regular and appropriate care of a doctor.

What if I want to return to work part-time after I am totally disabled?

You may be able to return to work part-time and still receive benefits. We call this "Partial Disability." This means you may be eligible for coverage if:

- You are unable to perform the material and substantial duties of your job 20 hours or more per week,
- You are able to work at your job or any other job for less than 20 hours per week,
- Your employer will allow you to work for less than 20 hours per week, and
- You are under the regular and appropriate care of a doctor.

The total disability benefit must have been paid for at least one full month immediately prior to your being partially disabled.

What if I change employers?

If you change jobs or leave your employer, you can take your coverage with you at no additional cost. Your coverage is guaranteed renewable to age 70 as long as you continue to pay your premiums when they are due.

A pre-existing condition is when you have a sickness or physical condition for which you were treated, received medical advice, or had taken medication within 12 months before the effective date of your policy.

If you become disabled because of a pre-existing condition, Colonial Life will not pay for any disability period if it begins during the first 12 months the policy is in force.

Can my premium change?

You may choose the amount of coverage to meet your needs (subject to your income). You can elect more or less coverage which will change your premium. Colonial Life can change your premium only if we change it on all policies of this kind in the state where your policy was issued.

What is a covered accident or a covered sickness?

A covered accident is an accident. A covered sickness means an illness, infection, disease or any other abnormal physical condition, not caused by an injury.

A covered accident or covered sickness:

- Occurs after the effective date of the policy;
- Is of a type listed on the Policy Schedule;
- Occurs while the policy is in force; and
